UNION AND ADVERTISER PRESS.
1895.

TO OUR PATRONS.

ROCHESTER, N. Y., Jan. 1st, 1895.

We thank our many friends and the trade generally for the liberal patronage bestowed on us in this department the past season, and in presenting you at this time with our **Annual Wholesale Price List for 1895**, to advise you that in consequence of the late rainy spring and long continued drouth both in this country and in Europe, that many seed crops have suffered severely, consequently short crop and slightly advanced prices on a few sorts.

An active and advancing market is looked for, but we are in hopes to be able to fill all orders intrusted to our care with promptness and dispatch.

We will try to adhere as closely as possible to the prices given, but wish it understood that we may have to advance on some varieties, but not unless compelled to do so.

We wish to call your attention to the fact that all our seeds are grown from the best selected stocks, and only by skilled and experienced growers, and consumers need only give them a trial to be convinced of their superior qualities.

We wish it particularly understood that we do not warrant them, nor do we hold ourselves in any way responsible for the crop. If the purchaser does not accept the seeds on these terms, they must be returned at once, carriage free.

 A proportionately higher rate will be charged for quantities smaller than quoted, except that twenty-five pounds and over will be invoiced at the hundred-pound rate, and one-half bushel at bushel rate.

TERMS.

Net Cash on June 1st, 1895, without regard to the day of purchase; or a discount of one per cent. a month will be allowed on payments made before June 1st. Goods purchased after June 1st, Net Cash October 1st; and after October 1st, Net Cash January 1st, following. Parties unknown to us wishing to order seeds, will be required to furnish satisfactory references, otherwise goods will be sent C. O. D.

Onion Sets, Potatoes, Grass, Grain, Fodder Corn and Clover Seed, are sold only for *net cash*.

TERMS OF CASH.—We will allow a discount of **Five per Cent.** on all orders accompanied by a cash remittance.

SHIPPING INSTRUCTIONS.

Shipping instructions should be sent with each order, as to the mode of shipment. When no such instructions are given, the goods will be forwarded by the cheapest and most direct route known to us. All shipments are made in *good order*, as shown by Bill of Lading, thus exempting us from any claims for damages, miscarriage, delays or loss.

PACKAGES.

 Bags, barrels, boxes, crates, etc., will be charged only at cost price. No charge for cartage or packing. Purchasers will pay their own freight.

NOTICE.

While we exercise the greatest care to have all seeds pure and reliable, it is hereby mutually agreed between ourselves and the purchaser that we do not warrant the same, and are not in any respect liable or responsible for the seeds sold by us, or for any loss or damage arising from any failure thereof in any respect. If the purchaser does not accept the seeds on these terms, they must be returned at once, carriage free.
